To Our Neighbor,

Plainsboro Rescue Squad has been in service for over 45 years and continues to provide quality emergency medical care and transport in Plainsboro and neighboring communities during weeknights and all day on weekends. **We are an independent all-volunteer organization not paid for by Plainsboro Township.**

Although it costs us \$400 on average per call, the squad **does not charge anything** to the patients! Everything from ambulances to supplies such as uniforms, bandages, medical oxygen is paid for by donations and charitable grants. **This year the pandemic has strained our finances even more, as unplanned operational costs increased significantly, while donations have decreased compared to previous years.**

**This is how your donations are put to work:**

***Without the assistance of community minded individuals like you, we would not have been able to serve in our neighborhood each year.***

The Squad is a 501(c)(3) charitable organization and your donation to the Squad is **fully tax deductible**. Enclosed is a self-addressed donor envelope for your convenience. Help us by considering us for your employer's matching donations program or as your nominated charity for charitable payroll deductions. You can also help by making us your charity of choice for Amazon purchases at [smile.amazon.com](https://smile.amazon.com).

**Please Donate Generously. . . .**
