

August 2021

Special Thanks

Promotions

Congrats to Amarjot on getting his EMT2 status back. Congrats to Ankitha (238) and Mitali (212) on attaining EMT2 status as well.

Protocols

As mentioned by Akarsh in his email, Township has tons of KN95s so we can place them on patients instead of surgical masks. We currently don't have surgical masks and since Township has tons of KN95s, it doesn't make sense for us to buy surgical masks.

Rig Checks (New Jumpkits)

We are having some issues with the printer so we don't currently have empty rig check sheets. Once that issue has been fixed, more sheets can be printed off the rig check sheet on the desktop of the meeting room computer. Please continue to diligently complete rig checks on your nights and inform me if there are things missing.

Rig Status

Equipment/Supplies

As always, if equipment or supplies are missing or we are running low, please inform me and Don. The second LUCAS device is at Station 49 and will be placed in the second rig shortly. I will be trying to see if PTEMS is willing to sell their Defib-Tech and purchase a LUCAS so all three trucks can have a LUCAS and we don't need to move things around. More on that to follow.

Training/Certifications Up To Date

Make sure you're signing up for refreshers and other CEUs, especially if you're expiring in December. If this is your first recertification, please contact me with any questions you may have on the process. I will be able to answer them for you or point you in the right direction. If you are an active riding member, your CEU courses will be reimbursed. If you're not an active riding member, they will be reimbursed based on other criteria.

Joint Drills

Events

We have the September 11th Memorial coming up next month. Please sign up on W2W if you are available. The uniforms will be white formal shirt, dress pants or BDUs, and dress shoes or boots. Badges will be given out the day of by an OIC or Line Officer who is attending the event.

Operations Meeting

Radios

I know we have had a few new EMT2s recently with no radios to hand out. We are in the process of looking to buy radios but unfortunately I don't have anything for you at this time. Same thing goes for pagers for the newbie riding members.

Memorandum of Understanding

2nd OIC/2nd EMT

Thank you to all that are taking 2nd assignments. If you are home and possibly available, please set your pager to D and keep it on or have your phones set to alert you on eDispatches for All Calls so that we can take second assignments. Cadets and trainees are also welcome to show up. Maybe contact the OIC and/or EMT2 that signs on to let them know you're coming so they can wait for you assuming it's not a critical call.

Miscellaneous

Chief Driver Report (Krishna)

Training Officer Report (Ankit, Akarsh, Don)

Scheduling Officer Report (Ankit, Abhilash)

Radio Officer Report (Ankit, Akarsh, Don)

Uniform Officer Report (Ankit, Akarsh, Don)

Charting QA Report (Ankit, Akarsh, Don)
