

Chief Report – Mar 2022

- **Special Thanks**
 - 105 is in service. At this time only available for use by OICs and EMT 1's
 - Thanks, Dr. Harison for offering the SIMS training program. We are all chuffed and looking forward to it
 - Thanks, Dan for helping out with 3311 the change is palpable. fingers crossed
- **Promotions**
 - 2 EMT 2's and 2 EMT 1's will be announced shortly
- **Protocols**
 - 104 going in for a full reval after which we will decide on its future
 - Rig Status - all 3 rigs are in service.
 - 101 stretcher minor cosmetic break - will be fixed shortly
- **Equipment/Supplies**
 - Good progress on O2 generator - Jegan has worked diligently to get the vendor to get the part made by an OEM.
 - Supplies online
 - EPIs will need replacement
- **Training/Certifications Up To Date**
 - Please update EMS charts with your updated certs. OIC's please take this up as drill on your night to close the backlog.
- **Joint Drills**
 - Kendall Park - has offered a CEU course, good interest
- **Events**
 - Operations Meeting- No participation , will keep it a few more times and see if it has legs
- **Radios**
 - Harris Radio programming complete
- **Memorandum of Understanding**
 - Arun will update - in one word FRUSTRATING!!
